College Information Sessions

College of Humanities, Arts, and Social Sciences

The College of Humanities, Arts, and Social Sciences (CHASS) is unique among its peers in that it combines the arts, humanities, and social sciences into one college. This structure gives students and faculty the opportunity to explore across a broad range of disciplines and examine diverse dimensions of social and historical life and human meaning.

HUB 355

College of Natural and Agricultural Sciences

The College of Natural and Agricultural Sciences (CNAS) is unique among land-grant universities for combining life sciences, physical sciences, mathematical sciences, and agricultural sciences in one college. The result is a vibrant culture that encourages interdisciplinary coursework and undergraduate research. Learn more about the CNAS advantage during this presentation.
